

OFFICE OF EMERGENCY MANAGEMENT INTERSHIP OPPORTUNITIES

The Office of Emergency Management has internship opportunities available each semester. The student(s) selected will experience day to day operations of an Emergency Management office and mentored on relationship building and importance of interaction/collaboration with campus and community personnel as necessary and beneficial.

Students will be allowed the opportunity to suggest specific projects/ideas based on their special interests/degree requirements and relevance to the OEM. Previous interns have assisted with revising the emergency operations plans, participating in preparedness fairs, attending county meetings, attending training and conferences, created flyers, assisted with honor society and fire drill evaluations.

Students who benefit from this internship are those enrolled in programs that include coursework in emergency management/homeland security, public administration, criminal justice, political science, fire science and GIS.

Contact the Office of Emergency Management for more details. 305-348-6975 or dlmille@fiu.edu.
